Attention: Patrick H. Patrick, Senior Partner**

We have received the above-referenced request for an under \$50,000 bid. We are familiar with the regulatory and legal issues that may arise. We propose a budget as follows:

\$46,500.00 in professional fees and **\$1,500.00** in out-of-pocket costs or expenses – total of **\$48,000.00**.

We will, of course, make every effort to conclude this matter under budget. Statements for professional services rendered and costs incurred will be rendered monthly and shall specifically identify and describe all work performed, the person performing such work, and the time and charge for such work. Legal services will be billed strictly on the basis of the time actually spent by lawyers and legal assistants in handling this matter. The Firm's statements shall additionally show the total amount billed to date and the authorized original estimate. Bills will be rendered in strict accordance with the Commission's guidelines and expenses shall also be separately disclosed with the proof of such expenses attached.

The Firm anticipates that Patrick H. Patrick will perform most if not all of the work on this matter. He may be assisted by Pierre V. Miller, II, and Laurence R. DeBuys, IV, if necessary. These attorneys bill at rates of \$275.00 per hour. An additional firm attorney who may work on this project if necessary is Steve Mattesky who bills at \$225.00 per hour. Legal Assistants bill at a rate of \$100 per hour. The Firm will attempt at all times to staff this matter in the most efficient

and economical manner and of course to conclude this matter for the lowest possible overall cost.

Please let us know if this budget proposal meets Commission approval. Please do not hesitate to contact Patrick H. Patrick with any questions or comments. Attached are qualifications and a firm resume.

OVERVIEW OF PATRICK MILLER LLC’S APPEARANCES BEFORE THE LOUISIANA PUBLIC SERVICE COMMISSION

The following is a summary regarding our law firm’s appearances before the Louisiana Public Service Commission:

In 1994, we represented Allvend, Inc., a Customer Owned Coin Operated Telephone (“COCOT”) operator in the matter entitled, “Louisiana Public Service Commission v. Paytel Enterprises, Inc. and USA Telecom, Inc.” Docket No. U-20939 on the docket of the Louisiana Public Service Commission. Allvend intervened with a complaint against both Paytel Enterprises, Inc. (“Paytel”) and USA Telecom, Inc. (“USA Telecom”), alleging defamation and many anticompetitive acts. The Commission found Paytel and USA Telecom committed the violations, imposed fines, required a security bond, and issued cease and desist orders against both defendants. Since then we have not represented a private party before the LPSC.

In 2010 we were awarded representation of Commission Staff in a fuel audit of CLECO. Our involvement was minimal given the resolution of all significant issues by Staff.

In 2016, we represented Staff in a fuel audit of Legacy EGSL, Docket No. U-32245. We were extensively involved in the matter, which concluded with a settlement under which ELL refunded \$5.044 million to LPSC-jurisdictional Legacy EGSL customers.

We assisted Staff in the “Dry Cask” matter, Docket No. U-34298, concerning FAC recovery of certain expenses incurred in connection with dry storage of spent nuclear fuel and refunds to customers when the utility recovers from DOE for breach of DOE’s contractual obligation to dispose of spent nuclear fuel. A satisfactory settlement was reached.

We are currently assisting Staff in Docket No. U-34332, *In re Review of Special Order 01-2001 to determine if it remains in the best interest of Louisiana Ratepayers*. This complex matter remains under consideration by Staff and consultants.
