Executive Summary

United Professionals Company ("UPC") is pleased to submit its response to the Louisiana Public Service Commission's ("LPSC" or "Commission") Request for Proposals for Outside Consultants 20-12. We hope to have the opportunity to assist Commission Staff ("Staff") in the review and analysis of Southwest Louisiana Electric Membership ("SLEMCO"), Concordia Electric Cooperative, Inc. ("Concordia"), and Pointe Coupee Electric Membership Corporation ("PCME") (collectively "Co-ops") Notice of Intent to Conduct Request for Proposals ("the RFP") for Purchases Contracts and/or Generating Capacity Pursuant to the Commission's Market Based Mechanism ("MBM") Order, subsequently issued RFP, and with any subsequent certification proceeding of any resources selected out of the RFP (hereinafter, "this Docket"). UPC has a team of regulatory and utility finance and economics professionals and consultants, the members of which were specifically selected for their ability to serve the needs of the LPSC. As a Louisiana firm, we take great pride in any and all work that we do that benefits the people of our state, and we believe this Docket provides just such an opportunity.

Our team of professionals and consultants has a vast amount experience assisting Commission Staff with the review and analysis of request for proposals for long-term power purchases contracts and/or generating capacity for compliance with the Commission's MBM Order, as well as assisting in the certification proceedings of resources selected out of the request for proposals process pursuant to the Commission's General Order dated September 30, 1983 ("1983 Order"), as amended by the Commission's Order No. R-30517, dated October 29, 2008. This experience has left our all members of our team knowledgeable about the MBM Order and the 1983 Order related to certification procedures and guidelines. This knowledge and experience will allow us to work closely with the Commission and its Staff in assisting with the Co-ops' RFP process, as well as in reviewing any resulting acquisition requests to ensure compliance with all applicable Commission Orders. We are fully prepared to participate in each stage of the RFP process, including technical and bidders' conferences, review of and comment on draft documents, informal meetings, preparation of a report of the RFP process, and any other steps necessary to ensure a fair and reasonable RFP process. Our team of consultants will review any certification application, along with testimony and exhibits; draft and assist in the drafting of data requests; analyze data responses; participate in formal status conferences, pre-trial conferences, depositions, and hearings; draft and prepare pre-filed testimony in support of Staff's ultimate recommendations, together with exhibits supporting testimony; and assist in the drafting of applicable motions, exceptions, briefing sheets and orders of the Commission. We will make ourselves available to participate in informal conference calls, meetings, and conferences, or B&Es, alongside the Commission and Staff.

UPC appreciates this opportunity to respond to the Commission's RFP. We propose a total budget for the cost of labor and expenses for the completion of the services requested for LPSC RFP 20-12 are not to exceed \$71,500 (\$71,000 of Labor + \$500 of Expenses). Our professionals are excited about the opportunity to serve the Commission as an Outside Consultant in this Docket. UPC's local presence offers the LPSC the benefits of geographic proximity and a wealth of institutional knowledge. The multifaceted financial qualifications and experience offered by UPC's staff of regulatory and utilities finance experts and consultants, combined with our in-depth understanding of Louisiana laws, regulations and local issues, best position us to provide the Commission with the most extensive and comprehensive service. For more information on our knowledge and experience, please contact the client references that we have provided.

Very truly yours,

R. Larfe Sisung
Managing Director

B. PLAN OF ACTION

We are fully prepared to assist the Commission's in-house Staff in analyzing the Co-ops' filings in this Docket. The Commission's RFP makes clear that the time anticipated to complete the Scope of Representation is approximately 8-12 months ("Period of Representation"). As a result, our Plans of Action is tailored towards that Period of Representation.

If selected, our team of qualified consultants would work closely with the Commission, Commission Staff in its review and analyses. Our team of qualified consultants would work closely with the Commission and its Staff in assisting with the Co-ops' RFP process, as well as in reviewing any resulting acquisition requests to ensure compliance with all applicable Commission Orders. UPC Consultants would assist in conducting the formal competitive solicitation process for the acquisition of power supply resources. We would participate in each stage of the RFP process, including:

- Technical and bidders' conferences;
- Review of and comment on draft documents;
- Informal meetings;
- Preparation of a report of the RFP process; and
- Any other steps necessary to ensure a fair and reasonable RFP process.

Throughout the both RFP process, and any subsequent certification proceedings, our team of consultants would also:

- Review the application, testimony, and other supporting documentation filed by the Co-op's to support the request, along with exhibits;
- Review any certification application;
- Review any testimony and supporting documentation filed by Intervenors;
- Draft and assist in the drafting of data requests;
- Review, and/or assist in reviewing of, discovery;
- Assist and participate in a bidders/technical conference;
- Assist in the preparation of a Staff report regarding the RFP process and its adherence to the MBM Order;
- Draft and prepare pre-filed testimony in support of Staff's ultimate recommendations, together with exhibits supporting testimony;
- Assist in the preparation of cross answering testimony;
- Review direct and cross-answering testimony prepared by other parties;
- Participate in formal status conferences, pre-trial conferences, and depositions;
- Prepare for, and participate in, a certification or stipulated hearing, including providing expert testimony before an administrative law judge;
- Assist Staff in preparation of any pre- and post-hearing briefs or filings;

- Assist in the drafting of applicable motions, exceptions, briefing sheets and orders of the Commission; and
- Assist in any settlement discussions and/or stipulation hearings and attendance and testifying at the Commission's B&E.

If selected, our team of professionals would make ourselves available to participate in informal conference calls, meetings and conferences with the Commission and its Staff, and attend any Business and Executive Sessions that the Staff deems necessary through the conclusion of the Docket and a final Commission vote on any certification of resources selected through the SLEMCO, PCME, and Concordia RFP process.

1. Methodology

The methodology that UPC proposes to utilize in serving the LPSC in this Docket leverages our team's in-depth understanding of Commission and state of Louisiana law and regulatory precedent, the regulatory process, and our team of specially-selected professionals' prior experience serving the LPSC on related issues.

2. Approach

If UPC is selected as the Commission's Outside Consultant, our team would actively work to ensure that the Commission and Staff are provided with any and all resources necessary to complete the scope of representation. The UPC approach uses a collaborative, standardized methodology that ensures efficiency, effectiveness, and proper controls. As such, detailed below is an outline of UPC's proposed approach for assisting the Commission Staff in the evaluation of the UPS acquisition prospect. UPC fully understands, however, that if chosen, the Commission and its Staff shall determine how the tasks will be carried out.

3. Workload Management and Distribution

UPC's staff utilizes a collaborative and fluid team approach. R. Lane Sisung and Paul T. Chastant, III will serve as contacts to LPSC, with Mr. Sisung serving as the primary contact. Mr. Sisung and the team will remain in constant contact with Commissioners, Commission Staff, and intervening parties regarding any and all material matters so as to provide seamless coverage for the LPSC. Together, we will work with Commissioners, Commission Staff and intervening parties to assess needs, determine deliverables and timelines, coordinate our firm's resources, and schedule meetings with the LPSC and other parties to provide analysis and advice.

Mr. Sisung will draw upon our individual team members' expertise as needed for understanding and edification on individual issues. By assigning the proper specialist to individual issues as they

arise, with Mr. Sisung acting as program administrator, we will be able to effectively meet LPSC's needs. All of this resource coordination will take place seamlessly.

We anticipate a close working relationship with the Commissioners and Commission Staff. All LPSC personnel will have Mr. Sisung and the rest of his team's contact information. Commissioners, Commission Staff, and parties will be encouraged to reach out to Mr. Sisung with any questions or concerns. We believe that our process ensures that the work products and deliverables will exceed the quality standards that the LPSC expects from the Independent Technical Consultant awarded this contract. UPC fully understands, however, that if chosen, the Commission and its Staff shall determine how the tasks will be carried out.

C. COST PROPOSAL

UPC is pleased to submit the following price proposal to the Commission for consideration.

We estimate that the total cost of labor for the completion of this Docket would not exceed \$71,000. Our labor estimate is based upon the costs necessary to provide the Commission with the services of a dedicated team of finance professionals for the 8 through 12-month period of representation. Our standard hourly rates per hour vary per consultant from \$60.00/hour to \$400.00/hour. For this Docket, we would propose to cap hourly fees at \$295.00

We estimate that the total expenses necessary for the completion of this Docket would not exceed \$500. These costs reflect our estimate of the travel and lodging costs of experts over an 8 through 12-month period of representation. Expenses would also be separately disclosed with proof of such expenses attached. UPC would request reimbursement for only those travel-related expenses that are actually incurred. Expenses, where applicable, would be billed in accordance with state authorized rates as specified in the Travel Policies and Procedures Memorandum issued by the State of Louisiana, Division of Administration in effect at the time such expenses are incurred ("Allowable Expenses"). Any expenses that exceed the Allowable Expenses would be borne by UPC, unless otherwise specified by the Commission. Further, billed expenses would not exceed twenty percent (20%) of the total amount of billed fees at any given time.

We propose a total budget for the cost of labor and expenses for the completion of the services requested for LPSC RFP 20-12 are not to exceed \$71,500 (\$71,000 of Labor + \$500 of Expenses).

UPC understands that Staff would be able to request, and UPC would be required to provide, billing information at any time upon Staff's Request. Staff, working with UPC, would review all of the bills submitted for payment, including but not limited to conformity with the planning sessions and any amendments. UPC further understands that the Commission shall have the discretion to impose additional safeguards upon the potential bidders at the time such bids are put up for vote, and that it shall have the right to either accept such additional safeguards, or reject them and withdraw their bid. Further, at any time after UPC is selected and hired, the Staff and UPC may agree to further safeguards.

If selected, UPC bills would be rendered in strict accordance with the Commission's guidelines. UPC would only charge for actual hours of work performed and costs incurred. All UPC bills would be rendered monthly, and specifically identify and describe all work performed, the person performing such work, the time and charge for such work, and show the total amount billed to date and the authorized original estimate, in accordance with the Commission's August 4, 2004 General Order.

D. CONFLICTS OF INTEREST

United Professionals Company, LLC does not possess any conflicts of interest that would impair its ability to serve the Commission for the purposes of this RFP, but for the purpose of full disclosure, we hereby disclose:

1. SSC presently serves the State of Louisiana, Office of the Governor, Division of Administration through acting as a financial advisor, on an “on call” basis.
2. Certain employees of United Professionals Company which are not affiliated in any way with providing services to the LPSC have a non-controlling interest in and/or provide accounting/administrative services to an entity that provides energy efficiency solutions to government agencies, some of whom may participate in Commission authorized energy efficiency programs.

E. OTHER CURRENT REPRESENTATIONS

Below are outlined a list of other matters in which we currently represent the Commission:

1. UPC also presently serves the Commission through assisting Commission Staff in participating in and monitoring the Midcontinent Independent System Operator, Inc., Organization of MISO States, and Entergy Regional State Committee related matters.
2. UPC also presently serves the Commission through assisting Commission Staff in participating in and monitoring the Southwest Power Pool.
3.
