Appendix A: Resumes of Sisung Professionals Assigned to RFP 19-08

Executive Summary

United Professionals Company (“UPC”) is pleased to submit its response to the Louisiana Public Service Commission’s (“LPSC” or “Commission”) request for Proposals for Outside Independent Technical Consultants 19-08 (“RFP”). We hope to have the opportunity to assist Commission Staff (“Staff”) in the review and analysis of Docket No. TBD *In re: Utilities Inc. of Louisiana* (“UIL”) *Formula Rate Plan annual review filings for test years 2018, 2019, and 2020* (hereinafter, “this Docket”).

We are fully prepared to assist LPSC Commission Staff (“Staff”) in the review of UIL’s filings in this Docket. All members of our team are familiar of the appropriate accounting standards and practices for water and wastewater utilities, public utility accounting, and generally accepted auditing standards. Additionally, our team of qualified consultants are experienced in drafting and responding to discovery, preparing direct and cross-answering testimony, reviewing and analyzing stipulation terms, testifying before an administrative law judge, and conducting informal meetings with the parties as necessary. We will make ourselves available to participate in informal conference calls, meetings, and conferences, or B&Es, alongside the Commission and Staff.

UPC appreciates this opportunity to respond to the Commission's RFP. Our professionals are excited about the opportunity to serve the Commission as an Independent Consultant in this Docket. UPC’s local presence offers the LPSC the benefits of geographic proximity and a wealth of institutional knowledge. Indeed, our robust understanding of Louisiana’s laws, regulations, procedures, organization, political environment and financial position would allow us to be immediately effective in responding to the needs of the Commission and Staff in this Docket by virtue of not having to overcome the learning curve that an out-of-state firm might encounter. For more information on our knowledge and experience, please contact the client references that we have provided.

Very truly yours,

R. Lane Sisung
Managing Director

B. PLAN OF ACTION

We are fully prepared to assist the Commission's in-house Staff in analyzing the Company's RFP. The Commission's RFP makes clear that the time anticipated to complete the Scope of Representation is approximately 6-10 months ("Period of Representation"). As a result, our Plans of Action is tailored towards that Period of Representation.

If selected, our team of professionals would analyze the Company's FRP Filings. In performing the aforementioned, we would:

- Review the individual test year filings, accompanying work papers, and the Company's financial data;
- Draft and assist in the drafting of data requests;
- Analyze data responses;
- Participate in meetings;
- Draft and prepare a report detailing Staff's findings, together with exhibits supporting the that report; and
- Assist in the drafting of applicable briefing sheets and orders of the Commission.

If selected, our team of professionals would make ourselves available to participate in informal conference calls, meetings and conferences with the Commission and its Staff, and attend any Business and Executive Sessions that the Staff deems necessary through the conclusion of each test year through Commission vote, regardless of whether said vote is the result of a stipulated agreement or contested hearing.

1. Methodology

The methodology that UPC proposes to utilize in serving the LPSC in this Docket leverages our team's in-depth understanding of Commission and state of Louisiana law and regulatory precedent, the regulatory process, and our team of specially-selected professionals' prior experience serving the LPSC on related issues.

2. Approach

If UPC is selected as the Commission's Independent Technical Consultant, our team would actively work to ensure that the Commission and Staff are provided with any and all resources necessary to complete the scope of representation. The UPC approach uses a collaborative, standardized methodology that ensures efficiency, effectiveness, and proper controls. As such, detailed below is an outline of UPC's proposed approach for assisting the Commission Staff in the evaluation of the UPS acquisition prospect. UPC fully understands, however, that if chosen, the Commission and its Staff shall determine how the tasks will be carried out.

3. Workload Management and Distribution

UPC's staff utilizes a collaborative and fluid team approach. R. Lane Sisung and Paul T. Chastant, III will serve as contacts to LPSC, with Mr. Sisung serving as the primary contact. Mr. Sisung and the team will remain in constant contact with Commissioners, Commission Staff, and intervening parties regarding any and all material matters so as to provide seamless coverage for the LPSC. Together, we will work with Commissioners, Commission Staff and intervening parties to assess needs, determine deliverables and timelines, coordinate our firm's resources, and schedule meetings with the LPSC and other parties to provide analysis and advice.

Mr. Sisung will draw upon our individual team members' expertise as needed for understanding and edification on individual issues. By assigning the proper specialist to individual issues as they arise, with Mr. Sisung acting as program administrator, we will be able to effectively meet LPSC's needs. All of this resource coordination will take place seamlessly.

We anticipate a close working relationship with the Commissioners and Commission Staff. All LPSC personnel will have Mr. Sisung and the rest of his team's contact information. Commissioners, Commission Staff, and parties will be encouraged to reach out to Mr. Sisung with any questions or concerns. We believe that our process ensures that the work products and deliverables will exceed the quality standards that the LPSC expects from the Independent Technical Consultant awarded this contract. UPC fully understands, however, that if chosen, the Commission and its Staff shall determine how the tasks will be carried out.

C. COST PROPOSAL

UPC is pleased to submit the following price proposal to the Commission for consideration.

We estimate that the total cost of labor for the completion of the RSC Docket would not exceed \$54,000. Our labor estimate is based upon the costs necessary to provide the Commission with the services of a dedicated team of finance professionals for the 6 through 10-month period of representation. Our rates per hour vary per consultant from \$150.00/hour to \$400.00/hour.

We estimate that the total expenses necessary for the completion of the project would not exceed \$2,000. These costs reflect our estimate of the travel and lodging costs of experts over a 6 through 10-month period of representation. Expenses would also be separately disclosed with proof of such expenses attached. UPC would request reimbursement for only those travel-related expenses that are actually incurred. Expenses, where applicable, would be billed in accordance with state authorized rates as specified in the Travel Policies and Procedures Memorandum issued by the State of Louisiana, Division of Administration in effect at the time such expenses are incurred ("Allowable Expenses"). Any expenses that exceed the Allowable Expenses would be borne by UPC, unless otherwise specified by the Commission. Further, billed expenses would not exceed twenty percent (20%) of the total amount of billed fees at any given time.

We propose a total budget for the cost of labor and expenses for the completion of the services requested for LPSC FRP 19-08 are not to exceed \$56,000 (\$54,000 of Labor + \$2,000 of Expenses).

UPC understands that Staff would be able to request, and UPC would be required to provide, billing information at any time upon Staff's Request. Staff, working with UPC, would review all of the bills submitted for payment, including but not limited to conformity with the planning sessions and any amendments. UPC further understands that the Commission shall have the discretion to impose additional safeguards upon the potential bidders at the time such bids are put up for vote, and that it shall have the right to either accept such additional safeguards, or reject them and withdraw their bid. Further, at any time after UPC is selected and hired, the Staff and UPC may agree to further safeguards.

If selected, UPC bills would be rendered in strict accordance with the Commission's guidelines. UPC would only charge for actual hours of work performed and costs incurred. All UPC bills would be rendered monthly, and specifically identify and describe all work performed, the person performing such work, the time and charge for such work, and show the total amount billed to date and the authorized original estimate, in accordance with the Commission's August 4, 2004 General Order.

D. CONFLICTS OF INTEREST

United Professionals Company, LLC does not possess any conflicts of interest that would impair its ability to serve the Commission for the purposes of this RFP, but for the purpose of full disclosure, we hereby disclose:

F. CONCLUSION

UPC appreciates this opportunity to respond to the Commission's RFP to serve as an independent consultant to assist Staff in the review and analysis in this Docket. As detailed in the sections above, UPC and its affiliated Sisung Group Company are multifaceted and have extensive experience in a broad range of financially-related areas involving state and local governments. Because we are a Louisiana firm, all of whose employees are Louisiana residents, we take great pride in any and all work that we do that benefits the people of our state, and we believe this project provides just such an opportunity.

UPC has built a team of regulatory and utility finance and economics professionals and consultants, the members of which were specifically selected for their ability to serve the needs of the LPSC in this Docket. Together, our team of professionals and consultants has a vast amount of specific knowledge and experience, which will allow us to work closely with the Commission and its Staff in assisting with its review and analysis. The multifaceted financial qualifications and experience offered by UPC's staff of regulatory and utilities finance experts and consultants, combined with our in-depth understanding of Louisiana laws, regulations and local issues, best position us to provide the Commission with the most extensive and comprehensive service.

Our professionals have a distinctive style that encourages personal service, excellence and integrity. We believe that the combination of our professionals' experience, our local Louisiana presence, our national expertise, and our proven track record of nearly thirty years of exceptional quality and integrity in our dealings offers the Commission an excellent choice for an independent technical consultant to assist it in the FRP Docket.

The Sisung Group's work in these endeavors has produced hundreds of millions of dollars for the firms' clients and the state.

The Financial Litigation Services business line has primarily supported governmental entities in cases before tribunals. Mr. Sisung manages an array of financial experts in coordinating a cohesive approach to providing expert witness services for complicated financial and regulatory matters. Mr. Sisung himself also provides expert testimony and assist in the creation of settlements and orders of judgment. His personal involvement in the representation of the LPSC in both the proposed ITC Merger transaction, LPSC Docket No. U-32538, and the recent Entergy rate cases and related compliance filings, LPSC Docket Nos. U-32707 and U-32708, proved critical to the effective safeguarding of LPSC-jurisdictional rate payers.

Mr. Sisung's previous endeavors include the successful creation, development and implementation of the corporate finance and mergers and acquisitions operations of Sisung Securities Corporation; the creation and operations of Sisung Capital that include raising and investing millions of dollars in venture capital funds in Louisiana; the creation and operation of the Sisung Film Finance Division; and the growth and management of over \$1 billion dollars in assets under management in Sisung Investment Management Services. Mr. Sisung also manages and directs all Sisung Group real estate, project management, and business development projects ranging from large-scale multi-use developments to multi-facility capital infrastructure projects. Mr. Sisung sits on the investment committee for Sisung Investment Management Services, LLC and also serves as in-house counsel for the five companies that comprise the Sisung Group.

Mr. Sisung will serve as the primary point of contact for the LPSC, and he will be responsible for coordinating and managing all of our firm's resources for the LPSC.

PAUL THOMAS CHASTANT, III

Mr. Chastant holds a Bachelor of Science in Accounting and a Minor in History from Louisiana State University. He also holds a Juris Doctor from Tulane University Law School. Mr. Chastant is a member of the Louisiana State Bar, a Certified Public Accountant licensed to practice in Louisiana, and a Certified Mergers and Acquisitions Advisor.

Mr. Chastant has accounting and financial advisory consulting experience in areas that include external audit, acquisition due diligence, revenue and expenditure growth projection, litigation support, and business valuation, gained while working as a Financial Consulting and External Audit Staff Accountant with Postlethwaite & Netterville, one of the largest accounting firms in the state of Louisiana. In this position, he assisted publicly traded companies' internal audit departments in assessing European foreign corporate subsidiaries' compliance with Sarbanes-Oxley Act reporting requirements. His financial consulting experience ranges from constructing detailed financial accounting and reporting policies and procedures manuals for clients to consulting on issues of cross-border financial consolidations, US GAAP financial reporting, and SEC reporting and compliance for US-based multi-national, public companies.

While at Tulane, Mr. Chastant's study of the law was concentrated on issues surrounding transaction law, including corporate law, mergers and acquisitions, practical aspects of hostile acquisitions, and corporate taxation. Prior to graduating Tulane, he completed an externship with The Louisiana Supreme Court Clerk of Court, where he was tasked with assisting in an ongoing revision to the Louisiana Supreme Court's Practice and Procedure Rules and assigned a project to begin drafting e-filing rules for the Louisiana Supreme Court.

Today, Mr. Chastant uses his accounting background and his legal expertise in his role as Vice President of Project Development for the Sisung Group. While at Sisung, Mr. Chastant has assisted in the successful development of the Financial Litigation Services Division and has used his qualifications and experience to help create a streamlined approach for financial experts to be able to support attorneys in the provision of litigation support for complex financial transactions. Mr. Chastant has assisted in every aspect from discovery to testimony to drafting of settlement agreements and orders for judgment.

Mr. Chastant will serve the LPSC as the secondary point of contact for the LPSC in his Docket. He and Mr. Sisung will be responsible for coordinating and managing all of our firm's resources for LPSC.
