

Expanded local calling comes to Southwest Louisiana

We have good news to announce! Calls between the following communities in Southwest Louisiana will become toll free effective July 17, 2007, thanks to action taken by Commissioner Dale Sittig and the Louisiana Public Service Commission:

Crowley, Eunice, Gueydan and Rayne become local to each other;
Jennings and Lake Arthur to and from Crowley, Eunice, Gueydan and Rayne.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning July 17, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Please save the chart for future reference.
