

Expanded local calling comes to Central Louisiana

We have good news to announce! Calls between the following communities in Central Louisiana will become toll free effective May 15, 2007, thanks to action taken by Commissioner Dale Sittig and the Louisiana Public Service Commission:

Alexandria, Colfax, Dry Prong, Georgetown, Montgomery and Pollock become local to each other;
Alexandria to and from Bunkie and Marksville.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning May 15, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the area code and the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Local calls to communities in a different area code must be dialed on a 10-digit basis (area code + seven-digit number). Please save the chart for future reference.
