

Expanded local calling comes to South Louisiana

We have good news to announce! Calls between the following communities in South Louisiana will become toll free effective June 12, 2007, thanks to action taken by Commissioners Lambert Boissiere, Jimmy Field and the Louisiana Public Service Commission:

Labadieville, Napoleonville and Pierre Part become local to each other;
Lockport to and from Chackbay and Thibodaux;
Houma to and from Chackbay, Lockport and Thibodaux;
Raceland to and from Chackbay.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning June 12, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the area code and the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Local calls to communities in a different area code must be dialed on a 10-digit basis (area code + seven-digit number). Please save the chart for future reference.
