

Expanded local calling comes to South Louisiana

We have good news to announce! Calls between the following communities will become toll free effective January 15, 2008, thanks to action taken by Commissioner Lambert Boissiere and the Louisiana Public Service Commission:

Donaldsonville to and from Lutcher and Vacherie.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning January 15, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the area code and the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Please save the chart for future reference.
