

## Expanded local calling comes to Central Louisiana

We have good news to announce! Calls between Florien and Hornbeck will become toll free effective September 11, 2007, thanks to action taken by Commissioners Foster Campbell, Dale Sittig and the Louisiana Public Service Commission.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning September 11, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the area code and the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Please save the chart for future reference.
