

Expanded local calling comes to Lafayette area

We have good news to announce! Calls between the following communities in the Lafayette area will become toll free effective August 28, 2007, thanks to action taken by Commissioners Jimmy Field, Dale Sittig and the Louisiana Public Service Commission:

Abbeville to and from Lafayette;

New Iberia to and from Broussard, Lafayette and Youngsville.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning August 28, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Please save the chart for future reference.
