

Expanded local calling comes to Sabine Parish

We have good news to announce! Calls between the following communities will become toll free effective November 6, 2007, thanks to action taken by Commissioner Foster Campbell and the Louisiana Public Service Commission:

Converse to and from Many and Zwolle

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning November 6, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Please save the chart for future reference.
