

Expanded local calling comes to St. James Parish

We have good news to announce! Calls between the following communities in St. James Parish will become toll free effective July 24, 2007, thanks to action taken by Commissioner Lambert Boissiere and the Louisiana Public Service Commission:

Vacherie to and from Convent and Lutcher.

Once the local calling areas for these communities are expanded, AT&T Louisiana customers with flat-rate service will no longer have to pay toll or usage charges for calls between these communities. Beginning July 24, all calls between these communities must be dialed on a seven-digit basis.

The following chart lists the area code and the first three digits of the telephone numbers included in both your current local calling area and your expanded local calling area. Local calls to communities in a different area code must be dialed on a 10-digit basis (area code + seven-digit number). Please save the chart for future reference.
