GENERAL INFORMATION

1. INSURANCE

Public liability and property damage insurance on trucks operated by common carriers, providing coverage of (\$250,000.00) TWO HUNDRED FIFTY THOUSAND DOLLARS for injury or death to any one person not to exceed (\$500,000.00) FIVE HUNDRED THOUSAND DOLLARS per occurrence, and (\$10,000.00) TEN THOUSAND DOLLARS property damage; (\$510,000.00) FIVE HUNDRED TEN THOUSAND single/combined. These insurance policies shall be written by companies qualified to do business in this state. The required proof of insurance shall be the filing of a Form E, Bodily Injury and Property Damage Certificate of Insurance, by the Insurance Underwriter of the policy, which must be received thirty (30) days from the date of the compliance letter. **The name and address on the Form E and name and address on the application for authority must match exactly.**

2. REGISTRATION OF VEHICLES

Carriers will be required to submit a "Vehicle Registration Form T-44" and remit a fee of \$10 per vehicle as part of compliance approval and annually thereafter.

3. TARIFF (RATES, FARES AND CHARGES)

Common Carriers operate under tariffs filed with and approved by the LPSC, which shows the services to be rendered and the basis for computation of rates. After the carrier's initial filing all changes must be effected through tariff publications approved by the LPSC. The staff can handle reductions informally, but increases require approval by the LPSC. These increases usually require formal handling, publication in the Commission's Bulletin, and approval before the Commissioners at the Business and Executive Meeting. A Common Carrier's Initial Tariff must contain the following information:

1. Complete name and address of company
2. Specific information for rates charged indicating a flat rate, hourly rate, etc.. When charging hourly, indicate times when charges begin and end. A range of rates (i.e. \$75-\$100 per hour) may be used if approved by LPSC Staff - see General Order dated October 02, 2012 for more details.
3. If rates are based on mileage, the official Louisiana highway map must be used.
4. Fuel surcharges must be stated in the tariff. If you wish to use the LPSC approved fuel surcharge please state that in the tariff. A copy can be found on our website: http://lpsc.louisiana.gov/regs3_motor.aspx

4. MERGER OF DUPLICATE OPERATING RIGHTS

No motor carrier shall be permitted to hold more than one certificate or permit granting the same authority in the same territory or over the same route. When a motor carrier holding operating authority acquires by purchase or leases another similar authority, the two shall be merged into one and both authorities reissued to the carrier as one. Should a certificate holder acquire additional rights which overlap the rights already held by him to some extent, that portion of the rights which overlap his original rights shall be merged into the original grant of authority.

5. SUSPENSION OF AUTHORITY OR CHANGES TO COMPANY INFORMATION

Suspension - If a carrier's business will be dormant for a short period of time, they may request a suspension of authority in writing. The letter must give detail as to why the business is dormant, before the LPSC will consider granting such a request.

Changes To Company Information - If a carrier's company information, such as name, address, contact information or any other relevant information, changes **it is the CARRIERS responsibility to make those changes with the Commission in writing** using the proper forms which may be obtained by contacting the LPSC's main office.

6. ANNUAL REPORTS AND INSPECTION AND SUPERVISION FEE (ISF) QUARTERLY REPORTS

All intrastate carriers subject to regulation by the LPSC are **REQUIRED** to file Annual Reports with the Transportation Division as stated in the Commission's General Order No. 2, dated July 1, 1921. Furthermore motor carriers under the jurisdiction of the LPSC are also **ASSESSED** Inspection and Supervision fees which are collected by the Department of Revenue pursuant to La. R.S. 45: 1177-1179. More detailed information will be provided with your Common Carrier Certificate.

7. OWNER/OPERATOR LEASES

Any utilization of owner/operators by a certificated common carrier will require the carrier place on file, prior to transportation and for duration of the lease period, a statement that owner/operators vehicle(s) is covered by and operating under the carrier's insurance. This statement must contain the owner/operators name, address and description of covered vehicles. The lease must be in writing, properly executed in quadruplicate. One copy is to be held by lessor, one by lessee, one must be immediately filed with the LPSC (along with a filing fee of \$10.00 per owner/operator lease), and one carried in the vehicle.
